PODERE LA PACE Maremma Rosso 'Black Label' 2015

The 2015 'Black Label' from Podere la Pace is sensational. It opens to a stunning deep, expressive aromas of blackberries, cherries and blackcurrants that are joined by nuances of tobacco, spices, scorched earth, spring florals and hints of licorice all bursting from the glass. On the palate this is full-bodied and beautifully structure with big, well-polished tannins that are integrated nicely into the wine. It goes on to display excellent overall balance with a wonderful combination of ripe fruit and bright acidity leads up to the long juicy finish. This is fabulous today and also has the potential to have a drinking window that span decades.
