## **PODERE LA PACE Maremma Rosso 'Pittosresco' 2016**

The 2016 'Pittosresco' is a fantastic showing in the vintage. It instantly opens to inviting aromas of cherries and dark berries which are woven together with tobacco, grilled herbs, dried spice and leather nuances that all take shape. On the palate this possesses a medium body that is well-balanced with a wonderful combination of fruit and acidity which provide a gorgeous freshness that persists through the finish. This is drinking excellent today and also has the potential to evolve for a decade.
