

PITTORESCO

2022

Deep ruby red with purple highlights.

A fresh, fruity bouquet, with prominent notes of blackberry, black cherry and wild strawberry. The bouquet is rounded off by balsamic notes of Mediterranean scrub and pleasant spice.

The palate immediately reveals aromas of fresh fruit and a lingering juiciness, which, combined with the sweetness of the tannins, offers a pleasant, smooth mouthfeel. The complexity derived from the spicy undertones makes it intriguing and scrumptious.
